A Milestone . . . Our First Annual Sale

Our Shorthorn Friends, far and near—

The farm known as "Hi-Ho" was acquired by the Allen family before Pearl Harbor and received its name through an incident which occurred about twenty years ago. The name "Herschel," being too hard to pronounce, was shortened to "Ho" by his youngest brother, whose first spoken words were "Hi, Ho!", with an appropriate wave of the arm as greeting.

Herschel H. Allen, Jr. moved to the Farm with his wife and infant daughter, Thelda, and since then has lived there as resident proprietor and manager. Herschel H. Allen III and Miss Aimee Stockton Allen were born at the farm.

The Farm belonged to Bill Smith's grandfather, later to his father and uncle, and then to his brothers, sisters and himself. Bill has lived on the Farm since his family took him there as an infant and has remained ever since the Allens took over.

George Beattie has recently devoted his spare time to assistance in working out the details of feeding, fitting and herd management. George, of course, is well known in the Shorthorn business on a country-wide basis and, for a number of years, has managed the U. S. Government herd at Beltsville, Maryland.

Winston Ewing has been with us since last year and has taken charge of the cattle, with the assistance of the others. I think that you all will agree that he is doing a wonderful job at Hi-Ho when you see the general condition of the herd.

Shorthorns at Hi-Ho Farm started with a modest beginning more than ten years ago when a small number of good cattle were accumulated at a sale at Asheville, North Carolina; through private treaty at West Hatton Farms in Southern Maryland; and by private treaty with the late Frank W. Harding at Anoka Farms, Waukesha, Wisconsin. Most of my friends in the Shorthorn business are familiar with the gradual accumulation of other outstanding individuals from all over the Continent since we at Hi-Ho have become more active in the Shorthorn business.

We feel that we have made progress. We have every confidence that you will all approve of the development so far and we can assure you that this development of a good Scotch Shorthorn herd, supplemented in the future, perhaps, by a small polled herd, will continue uninterrupted.

Our objective is to make it possible for Herschel, Jr., and Thelda, as well as the Young Allens, and especially Herschel III, to continue the progress which is now being marked by an important milestone, our First Annual Sale.

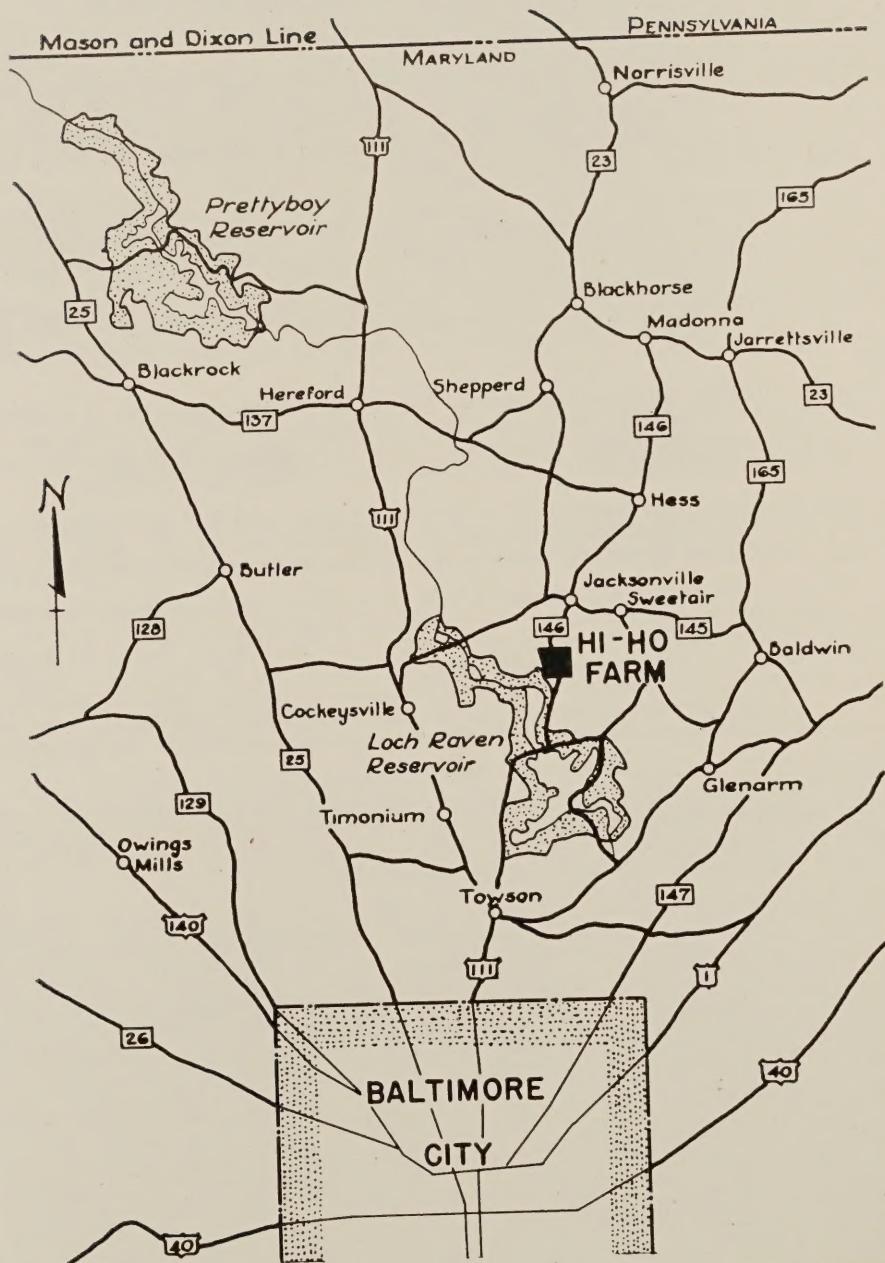

We are more than delighted that John Turner has decided to supplement our offering with one of his own. We are looking forward with anticipation to having him with us before and during the Sale, and I am sure that you will approve the fine group of individuals he is selling.

For those who should like to see more of Maryland during early April, when the country is beginning to take on a spring-like appearance, we should call attention to the fact that Washington, the Capital of our Nation, is not too far away; that Annapolis, the home of the U. S. Naval Academy, is easily accessible by highway; that Hampton House, a national historic shrine, is on the highway between Towson and the Farm; and that Goucher College has moved to its new buildings near by.

In the name of all of us at Hi-Ho Farm, you are cordially invited to attend this, our first sale, on Monday, April 7, 1952, and to spend as much time at the Farm before and during Sale day as is convenient.

Sincerely,

HERSCHEL H. ALLEN

This map shows the Baltimore area. Hi Ho Farm is easy to find and worth finding for any Shorthorn or Polled Shorthorn breeder.

General Information

Hi Ho Countess F, a typical Hi Ho production. Her dam was the 1949 Eastern National Champion.

Sale location—This sale will be held at Hi Ho Farm, Phoenix, Maryland, owned by Herschel H. Allen, Jr. This farm is located near Loch Raven on Gunpowder River, on Jarrettsville Road (Rte. 146) at intersection with Blenheim Road, 7 mi. N. of Towson, in the rolling hills of Baltimore County, Maryland.

Time—The sale will be held on Monday, April 7, 1952, starting promptly at 1:00 p.m. Eastern Standard Time. Lunch will be served at the farm.

Sale Headquarters—Sale headquarters will be at the Belvedere Hotel, Baltimore, Maryland. We suggest that you make hotel reservations early. You may write directly to the hotel or, if you prefer, the Sale Manager, Hal Longley, 16 S. Locust St., Aurora, will gladly arrange reservations for you. Please be sure to state the number in your party. If you write directly to the hotel, please state that you are coming to attend the H. H. Allen Shorthorn cattle sale at Hi Lo Farms. Transportation will be provided from the Belvedere Hotel to the farm.

Transportation—Baltimore is one of the principal cities of the nation and is easily reached by train, plane or bus. Consult your travel agent. Those who drive their own cars will find a convenient map of the Baltimore area printed in this catalog.

Auctioneers—J. E. Halsey, C. D. Swaffar and Milton Dance.

Mail Bids—Those unable to be present and who desire to do so, may send buying orders to any of the following men:

Hal Longley, **The Shorthorn World, Aurora, Ill.**

Ned Place, **Eastern Representative, The Shorthorn World, Wapakoneta, Ohio.**

Allan C. Atlasson, **Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, 9, Ill.**

Herbert Rees, **Eastern Representative, American Shorthorn Breeders' Association, Winchester, Virginia.**

Stan Haworth, **The Breeder-Stockman, Warrenton, Virginia.**

Please note—Those who wish to secure further information about the cattle in this sale, or regarding travel or hotel accommodations, should get in touch with Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.

Reliable truckers will be available and we will assist in securing trucks at reasonable prices.

The Younger Generation

"Lenny" Allen, daughter of Herschel Allen, Jr., shows her calf.

This is H. H. Allen III. "Little Ho," as he is known at the farm, is the son of Herschel Allen, Jr.

Terms and Conditions

A pair of Hi Ho bulls that won many first prizes at 1951 shows. Both sired by Kelburn Yesteryear.

Guarantee—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association with the antee endorsed by the American Shorthorn Breeders Association with the exception that these two owners are going one step further and are guaranteeing all females to be breeders irrespective of age. Notices of failure to breed must be given to owners within six months of the date of the auction. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition. Both herds participating in this sale are under Federal Supervision for Tuberculosis. Calfhood vaccination for Bang's is practiced in both herds and nearly all of the females in this sale were calfhood vaccinated. Health certificates will be furnished with each lot sold.

Terms—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Liability—The above guarantee and terms shall constitute a contract between seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

Inquiries About Cattle Listed—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

On the board of strategy at Hi-Ho Farm, Phoenix, Maryland: (left to right) H. H. Allen, Jr.; George Beattie; H. H. Allen, Sr.; and Winston Ewing. Wm. R. Smith, also an important member of the Hi-Ho organization, was not present when picture was taken.

John L. Turner, owner of Willomor Farm, Broadway, Virginia, and one of the most highly respected Shorthorn cattle breeders in the country.

It does make a difference where and from whom you buy your Shorthorn seed stock. This sale is backed by owners who command the highest respect of the Shorthorn fraternity, men who are anxious to build the industry by supplying only those cattle that will work improvement wherever they go.

Much Depends On WHERE You Buy

Farmingham Countess 5th, a foundation female in the Hi Ho herd. Soon after her purchase she won grand championship at the Eastern National Exposition and the Maryland State Fair.

There are many reasons why I recommend this sale to prospective buyers. Chief among these reasons, perhaps, is the fact that I like the men who are responsible for the sale offering . . . and from many years of observation I have learned that the men behind a pedigree are just as important as the animals named in the pedigree. Having known the Allens and the Turners from the time they established their herds and having observed their codes of ethics, I do not believe they will ever knowingly sell an inferior animal for breeding purposes.

I inspected this sale offering about 60 days ago and was delighted with the quality, type and character of the cattle. I was equally impressed with the condition of the cattle . . . they are neither too fat nor too thin and have been reared under conditions that should insure their health and future usefulness.

No matter where you are located or how much time or expense is involved in travel, I urge you to attend this sale. I hope you will arrive the day ahead of the sale for a leisurely inspection of the Hi Ho herd and to partake of the Hi Ho brand of hospitality which is always a delightful experience.

Edellyn Yankee Mercury—We bought this grandson of the Perth champion Imp. Calrossie Mercury at \$4,100, top price of the 1951 Edellyn Sale. Soon after he arrived at Hi Ho Farm, we exhibited him at the Maryland State Fair and he won the grand championship. He has developed wonderfully and we want you to be sure to see him on sale day. Many females in the sale will carry his service.

Right, Edellyn Royal Leader 37th. This picture shows him in his six-year-old form and in breeding condition. He has proved an excellent sire.

Left, Edellyn Royal Leader 37th as a calf. This is the way he looked when we bought him in the 1946 Edellyn sale.

Edellyn Royal Leader 37th—We purchased him at the 1946 Edellyn sale where he was among the tops and we firmly believe him to be the greatest breeding son of Edellyn Royal Leader. He is out of the famous cow Collynie Lady Augusta, she a half sister to the dam of Edellyn Campeon Mercury, Edellyn Peerless Mercury and Edellyn Grand Command, all famous sires. We are selling numerous choice females by this bull and we believe they will prove his worth.

Hi Ho Leader—A very blocky senior yearling son of Edellyn Royal Leader 37th out of a wonderful cow bred at Ohio State University. We showed him without much advance preparation and feel that with more fitting he can go on and win top prizes. You will be impressed with his ruggedness, bone, substance and masculine head.

Baltimore is on many railroads and the train service is excellent from New England, Western or Southern states. Equally good service is available to those who wish to travel by plane or bus. We ask those who do not drive their own cars to go directly to the Belvedere Hotel, the sale headquarters, immediately upon arrival in Baltimore. Transportation to the farm will be provided.

Motorists will find the drive to Baltimore most interesting at this season of the year. Motorists coming from the north and west should remember that Hi Ho Farm is located 15 miles north of Baltimore, and that they do not need to go into the city unless they so desire.

Bear in mind that the nation's capital is only 50 miles south of Baltimore. We suggest that you visit this famous city while you are in this vicinity.

If you wish help in planning your trip or in arranging hotel reservations, please contact the Sale Manager, Hal Longley, 16 South Locust Street, Aurora, Illinois.

Hi Ho Missie 2nd B—One of our very best and one of the better young females that will sell in spring sales. She is very deep bodied, full of quality and with the head of a future great brood cow. Her dam was the champion heifer in the 1947 Ohio State Sale. We are keeping a maternal half sister in the herd. Hi Ho Missie 2nd B will sell with a choice red heifer calf at foot born in February, and sired by Aberfield Model. Few of her kind are exposed for sale.

The three heifers shown above are daughters of Kelburn Yesteryear that sell in this auction. From left to right they are: Hi Ho Royal Lady (Lot 7), Hi Ho Queen Lady 2d (Lot 8), and Hi Ho Rosewood 2A (Lot 9). *Rosie is 9. 9*

C & P Royal Lady—A four-year-old granddaughter of Edellyn Royal Leader 2nd. She has had two calves and both are in this sale. One of them is the June, 1950, heifer Hi Ho Royal Lady that sells as Lot 7 in this sale. C & P Royal Lady sells with her latest calf at foot, an exceptionally promising red bull born December 14, 1951, and sired by Kelburn Yesteryear. This calf, grand headed and with a deep body and heavy quarters, is one of the best calves that will sell at foot. The cow is not rebred.

Hi Ho Golddrop 5th—A very valuable brood cow with a fine production record. The roan heifer calf that she produced in August, 1951, was a winner in our 1950 and 1951 show herds. The red heifer calf she produced in July of 1950 sells as Lot 33 in this sale. We are keeping the red bull calf by Kelburn Yester-year that she produced in June of 1951 and he can be seen at the farm on sale day. She is in calf again since August 2, 1951, to Kelburn Yester-year.

Here is a picture of our 1952 sale heifers taken in pasture in the summer of 1951. Note the uniformity of type and good heads.

Left, Hi Ho Obligation, a typical son of Kelburn Yesteryear. This outstanding calf sold in the 1951 International sale to Cecil Steinmetz, Earl Park, Indiana. The dam of this bull, Beathion Golden Nancy 2d, is Lot 36 in this sale.

Left, Hi Ho Gloster, a typical daughter of Kelburn Yesteryear. She was sold in the 1951 International sale to Thomas Piatt, Lexington, Kentucky, at \$1,225. She is a full sister to Lot 12 in this sale.

Junior Judging Contest at John L. Turner, Ridgehurst, Farm.

Everyone loves John Turner and admires his ability as a cattleman. To those who know him best, the following statement taken from a letter to the Sale Manager, will be the clearest indication of the kind of cattle he and his fine son are selling in this sale. The quotation follows:

"I would prefer to be at little on the modest side in the catalog descriptions of the cattle Edwin and I are selling. I really do think the cattle will meet your approval and be of real value to the people who buy them. They are our very best."

To the foregoing statement, permit me to add one further remark. On my visit to the Turner farm I saw Scotsdale Drummer and his calves. He is truly a great individual and an outstanding sire. Those who buy his calves in this sale or females carrying his service will never have cause to be sorry.

HAL LONGLEY
of The Shorthorn World.

Shown here, with John L. Turner, owner, in the background, is a group of brood cows in the Willmor Herd.

Study the two pictures on this page. They provide positive proof that Scottdale Drummer has the ability to pass on to his calves the perfect form that made him such a favorite at the 1949 International Live Stock Exposition.

This picture shows Scottdale Drummer at eleven months old when, without special fitting, he won second prize in the strong junior bull calf class at Chicago.

This picture shows Willo-mor Drummer 2d, the first son of Scottdale Drummer to be offered at auction. He was exhibited at the 1951 International where he stood fourth in a class of 27 great junior bull calves. Later he sold in the International Congress Sale to Dr. R. T. Thurman, Nashville, Tenn., at \$1,475.

Scotsdale Drummer—After a 3,000 mile trip in the summer of 1949 we bought this bull from Stewart Bennett. We inspected many great young bulls in the U. S. and Canada on this trip but concluded that Scotsdale Drummer showed the greatest promise. He stood second in the strong junior bull calf class at Chicago immediately following our purchase. Now that his calves have reached the yearling stage, we are more certain than ever that we were right in our choice of this bull. His get and service will be the feature of our consignment to this sale.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
